

# THE ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC

Name of the Institution: **Farook College  
Calicut, Kerala.**

Year of Report: **2005 - 2006**

## **Part A**

**The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.**

- (i) The major concern of the College for the year was to achieve optimal implementation of the Projects and Programmes under CPE. The amounts sanctioned by the UGC against the various CPE Programmes and Projects have been optimally utilised and the Programmes have made considerable progress.
- (ii) In view of the emerging need to tap the potentials of alternative methods of knowledge delivery through IT based tools and Internet-based teaching the IQAC emphasized the use of multi-media and web-based systems in the teaching and learning process. With the commissioning of the Virtual Lab, Virtual Classes and experiments are conducted frequently and various software interfaces are used for speedy and accurate measurement of physical parameters by the Science departments to improve the accuracy of experiments.
- (iii) It was also the concern of the IQAC to motivate the faculty to involve themselves in Minor and Major Research Projects in their areas of specialisation. Eleven members of the Faculty have made considerable progress in the Minor Research Projects sanctioned by UGC. Twenty-five of the Faculty are actively engaged in pursuing their Ph.D. programmes. Two have been awarded Ph.D. and some have submitted their final theses.
- (iv) The work of setting up of a complete network backbone in the campus is in progress. The OFC cabling work has been completed for connecting the different blocks and the process of connecting the Departments using CAT 5/CAT 6 cables and installation of 1 GB switch and hundred mbps switches in various parts of the campus are in the final stage.

## Part B

### 1. Activities Reflecting the Goals and Objectives of the Institution:

Farook College, one of the biggest post-graduate colleges in the State of Kerala, embodies the achievements of the systematic efforts made by a historically backward and unmotivated segment of society to rip open the confines of social stagnation and emerge into educational and cultural resurgence.

The College was established as a result of the pioneering efforts of the Muslims of Kerala and was primarily meant for the educational advancement of the Moplah community, which then was averse to modern education. The institution is cosmopolitan in outlook and is devoted to the service of society by imparting knowledge and promoting a cultural consciousness and an awareness of human heritage. Its ambition is the all-round development of every student that enters its portals.

The college strives to help every student:

- To understand himself/herself and discover his/her latent capacities
- To understand his/her position as a member of human society and of the physical universe
- To think clearly and critically and communicate effectively
- To learn how to make practical application of knowledge, attitudes and skills
- To develop a sense of unity of all knowledge including religious vision.

It maintains an atmosphere conducive to the free development of social and religious aspirations and inner life. With these objectives in view, various schemes are put into operation and activities of intellectual, physical and cultural values are organized. To facilitate fuller realization of the objectives, it has been conceived as a residential institution. The hostels are expected to play a very important role in the all-round development of the students.

The College is affiliated to the University of Calicut and admission is open to all, irrespective of creed, sex and religion. It offers courses in 14 disciplines at the undergraduate level and in 12 disciplines at the post graduate level and 5 departments are research centres. The residential character of the campus has been manifested through 4 blocks of hostels for boys and 4 for girls and 20 quarters for the staff of the college. As a complement to its commitment to the basic academic objectives the College also tries to give adequate attention to the development of the

overall potential of the student community by providing facilities for co-curricular activities. The extension activities of the college are operated through conventional forms of organizations of the college as well as innovative initiatives.

## **2. New Academic Programmes Initiated (UG and PG):**

- (i) M C J Course under the University of Calicut in the self-financing stream was formally started on 8 December 2005.
- (ii) The proposal of the Department of Library and Information Science for the two-year integrated (four semesters) Master Programme in Library and Information Science, after being screened by the University of Calicut, is pending with the Govt. of Kerala.
- (iii) Several Career Oriented Programmes (Certificate, Diploma and Advanced Diploma) by the Faculties of Humanities, Science and Commerce are under consideration of the UGC.

## **3. Innovations in Curricular Design and Transaction:**

- (i) Department of Physics has initiated holding Virtual Classes (MIT Lectures) frequently in the Virtual Lab. With the commissioning of the Virtual Lab software interface is used for speedy and accurate measurement of physical parameters. This has improved accuracy of experiments
- (ii) A proposal for one-year add-on course in Library Management and Automation is pending with UGC.
- (iii) Department of Urdu conducted classes for students who are not literate in Urdu language and Literature during August-September 2005
- (iv) The syllabus for B.Sc. (Applied Statistics with Computer Application and Actuarial) has been modified according to the recent trends in the areas of Statistics, Computer Application and Actuarial Science. In the first year a number of sessions are provided to develop the mathematical and statistical thinking, logical reasoning and language skill of the students. In the second year additional sessions are given to familiarise the students with the statistical concepts with the help of Computer and Internet. In the final year opportunities are provided for learning Statistical / Actuarial Concepts and Methods with the help of real data.

#### 4. Inter-disciplinary Programmes Started:

- (i) The Department of Statistics has submitted a proposal to UGC, under innovative programme to start a course in M.Sc. Actuarial Science and Financial Engineering. The College has sufficient faculty and infra-structural facility to run the course.
- (ii) The Department of Urdu held Lecture series on Premchand in association with the Department of Hindi.

#### 5. Examination Reforms Implemented:

The curriculum has less flexibility in examination reforms due to the present affiliation system. However for internal assessment all the Departments of the College have adopted continuous assessment of the students by means (i) Assignments (ii) Seminars and (iii) Test papers. Special emphasis is given to identify real life situations and problems and to gather solutions by academic discussions wherever possible.

#### 6. Candidates Qualified: NET/SLET/GATE etc.

Department	JRF	NET	SET
Arabic		2	
Mathematics	1		
Physics		1	
Zoology		1	
Economics	2	1	
History			6
Sociology		2	

#### 7. Initiative Towards Faculty Development Programme:

- (i) Department of Statistics conducted a Workshop in "Statistical computing Using SAS Package," for teachers, and Researchers in June 2005.
- (ii) UGC Sponsored Workshop was conducted on "Technology enabled Content Creation for College Science Teachers" by the Department of Library and Information Science from 28 November 2005.

#### 8. Total Number of Seminars/Workshops Conducted:

##### Department of Malayalam

- (i) Seminar on Youth and Psychology Keynote address by Prof. Muhammed Hasan, Clinical Psychologist in July 2005.

- (ii) "Multi-levels of Poetry"- paper presented by Prof. Kalppatta Narayanan, Eminent critic and HOD of Malayalam, Government Arts College, Calicut (25.7.05)

- (vi) "Women Writing in Malayalam" paper presented by Prof. Chinnamma, H O D of Sanskrit, Malabar Christian College, Calicut (16.9.2005).

#### Department of Mathematics

- (i) A UGC sponsored regional Seminar on "The Recent Trends in Functional Analysis was organized by the Department of Mathematics on 18 March 2006.
- (ii) Prof N.V.Beeran Sahib Memorial Lecture and Workshop" This programme is financially supported by the family of Late Prof. N.V. Beeran, Former Head of the Department in December 2005.

#### Department of Statistics

- (i) Workshop on "Statistical Computing and Data Analysis" for P.G. Students in July 2005

#### Department of Chemistry

- (i) Two-day Workshop (UGC sponsored) on "Application of Modern Tools in Chemistry" on 14 & 15 July 2005
- (ii) Seminar on "Vermi Compost Making" by Prof. Sreedharan, Director, Skill Development Centre, Calicut on 3 January 2006
- (iii) Seminar on "Tsunami an Interlinking of Rivers" by Dr. James, Director, CWRDM, Calicut on 28 February 2006

#### Department of Library and Information Science

- (i) UGC Sponsored Workshop was conducted on "Technology enabled Content Creation for College Science Teachers" from 28 November 2005.

### Department of Economics

- (i) Seminar on “Kerala Economy-Problems and Prospects” Dr. T. P. Ahamed, Principal EMEA College presented the Keynote Address.

### Department of Commerce

- (i) Workshop on “Research Methodology” Dr. Simon G Thattil (Reader, University of Kerala) presented the subject (8 August 2005).
- (ii) Two-day workshop as part of Entrepreneurship Development Programme on 5 and 6 January 2006
- (iii) “Meet the Giants” as part of Entrepreneurship Development Programme on 20 March 2006. Inauguration P V Abdul Vahab M P
- (iv) HRD Workshop and Woman Entrepreneurship Development Seminar on 30 March 2006.

### Department of Sociology

- (i) Seminar “Social Dimensions of Love”, by Acharya A J Snehadass, Sneha Yoga Sahodarya, Kannur on 6 July 2005

### Department of Computer Science

- (i) Work shop on “Hardware Concepts” conducted by Mr. Haris, ACCEL IT ACADEMY Calicut for II B. Sc. Computer Science Students (26 July 2005)
- (ii) Seminar on “NET Technology” conducted by Mr. Bijoy, Bigleap Solutions, Calicut (11 July 2005)
- (iii) Seminar on “Advanced Java Programming” by Mr. Jijo Antony (17 July 2005)

### **9. Research Projects**

#### Academic Monitoring Centre (AMC)

The AMC facilitates and co-ordinates research activities among the faculty, publishes working papers and organizes guest lectures, short term workshops and seminars. It also provides databank for tests and exams of national and international levels.

#### **a) Newly implemented:**

#### Department of Arabic

- (i) The Arabic Department started its work on “Collection and Translation of ancient Arabic Poems in Kerala,” as part of its project under CPE.

#### Department of Malayalam

- (i) “Historical and Ideological Placing of Malayalam Proverbs” Minor Research Project sanctioned by UGC to Mr. K.E.N. Kunhammed.
- (ii) “The Sociology of the Form as Reflected in Arabi-Malayalam Literature,” a Minor Research Project sanctioned by UGC to Mr. K.M.Naseer

#### Department of Statistics

- (i) “Linux Based Software Package for Qualitative Data Analysis” (under CPE).
- (ii) “Modelling and Analysis of Multi-state Models with Special Reference to Developmental Periods of Instars of Insects,” (a Minor Research Project sanctioned by UGC to Dr. T.P.M. Fareed

### Department of Chemistry

- (i) "Glycosyl Assay of a Plant used in Folk Medicine" Minor Research Project sanctioned by the UGC to Dr. M. Jaffar (UGC
- (ii) "Model for Cost-Effective Solid Waste Management" - a project under CPE

### Department of Botany

- (i) "Collection, Identification, Cultivation and Documentation of Medicinal Plants of Malabar" Minor Research Project sanctioned by the UGC to Sri. R.V.Ibrahim with Sri. T. Ahamad Kutty, Lecture, Selection Grade, Dept. of Botany, Farook College as the co-investigator.

### Department of Zoology

- (i) "Study of the Bio Diversity and Ecology of Kadalundi Estuarine Wetlands" in cooperation with Kerala Forest Department, University of Calicut and various other research institutions like ZSI, SACON, KFRI, CMFRI, CWRDM. (Project under CPE)

### Department of Library and Information Science

- (i) "Development of a Scale for Measuring College Library service Quality in India" Minor Research Project awarded to Dr. K.C. Abdul Majeed Senior Grade Lecturer.

### Department of History

- (i) "Local Socio-Religious Reform Movements in Kerala: A study of Hidayathul Muslimeen Sabha Manjeri" (Minor Research Project sanctioned by UGC to Dr. T. Muhammed Ali)
- (ii) "Rise and Growth of Farooqabad: A Historical Enquiry" (Minor Research Project sanctioned by UGC to Mr. Mujeeburahiman)
- (iii) The Department has started work on "Dictionary of Concepts in Historical Methods," (a project under CPE)

### Department of Economics

- (i) "Intra-Regional Variations in Human Development of Urban Areas" (Minor Research Project sanctioned by UGC to Mr. M. Usman)

### Department of Commerce

- (i) "World Market for Indian Spices" a Minor Research Project sanctioned by UGC to Dr. P. Unneenkutty

### Department of Physical Education

- (i) "Construction of Norms on Kuhun's Soccer Test for University Players" a Minor Research Project sanctioned by UGC to Mr. Abdul Salam.

### **b) Completed:**

### Department of Sociology

- (i) The Tsunami Emergency Assistance Programme, a project to rehabilitate Tsunami victims by the restoration of their livelihood. TEAP entrusted the dept. of Fisheries, Govt. of Kerala to study the functioning of SHGs in Kerala on the coastal area. ### **10. Patents Generated, if any:**

NIL

### **11. New Collaborative Research Programmes:**

1. "Career Mapping" - An innovative venture for drawing up aptitude map of potential students of Kerala. Funded by Parisons India Limited, Calicut through Centre for Information and Guidance India (CIGI), Calicut, Kerala, India.

Aims and objective of the project:

- (i) To spread the use of DAT in every section of society in order to intensify the use of scientific methods to choose a career that suits one's ability.

- (ii) To identify the effect of factors, like locale, medium of instruction, religion etc., on ability and aptitude of the students.
- (iii) For drawing up ability / aptitude map of our potential students in different areas.

A sample of 102 high schools in Kerala were selected randomly from among 2500 schools with due representation of every geographical and managerial type, in the first stage. In the second stage, 6000 students were selected randomly from the selected 102 schools with due representation of sex and religion. The selected set of students, spread over all the 14 districts of Kerala, are expected to be tested with DAT and the benefit from the career opening and career counselling follow up sessions which are part of CAREER MAPPING. A general profile which consists the family background, difficulties in their studies, health aspects etc., is collected from each of the selected students. A longitudinal study on the selected cohort is also planned.

Progress: Completed data collection and entry. Started the preliminary analysis.

2. "Statistical Modelling and Analysis of Multi-state Models with Special Reference to Developmental Periods Instars of Insects." Funded by University Grants Commission (UGC), India.

Modelling and data collection have already been completed and a first draft of a research paper presented in an international conference held at Pune. The paper is on revision based on suggestions made by experts (in the area of survival analysis) during the conference.

3. "Analytical Study of Transformation of Face Images due to Pose Variation." (Under preparation)

The main objectives of the project includes quantifying the variability of face images due to difference in face, building up an appropriate model so that it will quantify the variation, and using this model to recognize face image irrespective of pose. The problem of pose variation is addressed using applications of Principal Component Analysis (PCA), Neuro-fuzzy Networks, and Pseudo Zernike Moment Invariant (PZMI).
