# THE ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC

**Name of the Institution** : Farook College, Kozhikode, Kerala.

**Year of Report:** : 2009 – 2010

## Part A

### **The Plan of Action Chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year**

The focus was on the following areas of developmental activities during the academic year.

- (i) The construction of a separate block for the PG Courses with furnished classrooms to meet the requirements of modern methods of teaching is in progress.
- (ii) The construction of a Pavilion for the stadium is in progress. It would be provided with proper roofing so that students can make use of the facility to hold discussions and to prepare for the exams when the Pavilion is not used otherwise.
- (iii) UGC-NET coaching in all subjects is being conducted by the various departments.
- (iv) The existing vacancies in many departments were filled by appointing qualified persons
- (v) More members of the Faculty, especially of the younger generation who have joined the Institution recently, have been motivated into taking up new Research Projects. Accordingly many have started work on the projects sanctioned by the UGC and many ongoing projects have made good progress. Many have also completed the Projects sanctioned earlier.

## **Part B**

### **6. Activities Reflecting the Goals and Objectives of the Institution:**

#### **Vision**

To mould competent and well-developed persons who can take up the challenges of the future on behalf of the community, the society, the nation and the world.

#### **Mission**

To provide all-round development and training to generations of men and women who are competent to carry out various functions of nation-building, to equip them with value-based education and training, to empower them with positive qualities and qualifications, to promote research activities and social outreach activities, to provide leadership to persons and institutions for community-empowerment and to ensure excellence in education and related activities for better nation and world.

The College strives to help every student:

- To understand himself/herself and discover his/her latent capacities
- To understand his/her position as a member of human society and of the physical universe
- To think clearly and critically and communicate effectively
- To learn how to make practical application of knowledge, attitudes and skills
- To develop a sense of unity of all knowledge including religious vision.
- To make every effort for the all-round development of every student that enters its portals.

- (i) With these objectives in view, various schemes have been put into operation and activities of intellectual, physical and cultural values are organized.
- (ii) Ample opportunities are provided for research activities and social outreach programmes.
- (iii) To facilitate fuller realization of the objectives, it has been conceived as a residential institution. This helps in maintaining an atmosphere of academic culture around the College.
- (iv) The College also tries to give adequate attention to the development of the overall potential of the student community by providing value based education and facilities for co-curricular and extra-curricular activities.
- (v) The College maintains an atmosphere conducive to the free development of social and religious aspirations and inner life.

## 2. New Academic Programmes Initiated (UG and PG):

NIL

## 3. Innovations in Curricular Design and Transaction:

The University of Calicut to which the College is affiliated has introduced major innovations in curricular design by introducing semester with choice based credit system at the UG level. This has brought about major changes and novelty in the teaching-learning process and system of examination and evaluation. The system was introduced during the current academic year.

## 4. Inter-disciplinary Programmes Started

Several Departments are giving adequate training in computer application and communication skills by providing modules in collaboration with the College Informatics Centre and Language Lab.

## 5. Examination Reforms Implemented:

The curriculum has less flexibility in examination reforms due to the present affiliation system. However, with the introduction of Choice based Credit Semester System, all the Departments of the College have adopted continuous assessment of the students for internal assessment by means of (i) Assignments (ii) Seminars and (iii) Test papers. With the introduction of CCSS, the pattern of examinations has also been modified by the University.

The Library and Information System has a collection of 80,622 volumes including bound periodicals (as on 31 May 2010) and subscribes to nearly 167 periodicals.

The Library has computerised its operations and services with standard software. The Library meets the academic and career information needs of 2,200 students and 200 teaching and ministerial staff of the College. It also extends its services to the students and Staff of the sister institutions on the campus. The Library provides reference and lending service to the Public too on need basis. More than Rupees 6 Lakhs was spent for the purchase of books, periodicals and audio-visual items during the year. A well-organized Digital Library with the support of Mr. Abdul Wahab M.P. under his MPLAD Scheme has been set up in the library. The Digital Library will facilitate easy access to the electronic books and journals downloaded from the open access archives and other sources made available through internet and other on-line services like INFLIBNET, Info net etc.

The institutional repository being developed in the Digital Library will have in its collection all the College Magazines brought out since 1948 and Souvenirs compiled on the occasions of Silver Jubilee, 40<sup>th</sup> Anniversary and Golden Jubilee Celebrations. This collection would help the aged Alumni of the College gain access to their creative writings during student days. The digital collection will also have in its stock the Theses and Research Papers of the

Faculty and Articles written by the Staff of the College. Another remarkable collection in the Digital Library is CDs of National Geographic Magazine since 1888 and the complete plays of William Shakespeare. The CD collection of the Shakespeare literature was donated by Dr. Ahamed Kutty, an Alumnus now settled in USA.

The digital collection in the Library is being developed on a powerful Server with a storage capacity of Nine Terabyte. Free Digital Library software known as Greenstone, developed by UNESCO, is used for this.
