PRAYER

O God, Lord of all, fountain of knowledge, in your name we begin. We submit ourselves to the day's mission, and seek your blessings and guidance. Let this day add to our learning, enhance our commitment, take us forward, and help us improve our society, our nation, and humanity at large.

O God, help us learn all that is good, grant us wisdom to choose good over evil, right over wrong, and grant us peace and happiness today and ever.

MOTTO

Ora et labora- 'Pray and Work'

Ora et labora- 'Pray and Work' is the essence of Islamic philosophy as unveiled in prophet's teachings and the Holy Qur'an. This exhortation has to be considered as the underlying principle of human life in this universe.

The word 'Islam' unfolds the two great and inseparable aspects of life prayer and work. Deeds without prayer is simply meaningless. The inspiration and, insight a person may acquire by prayer has to be transformed as fruitful deeds to realize one is good in life. It is found in the expression of Confucius, Pythagoras, in the monuments of Egypt, ancient theocracy of India and in the Hebrew and Christian Bible. From the unknown past onwards saints, prophets, sages and yogis have guided people from darkness to brightness through this mesmerizing mantra; pray and work. Islam, or its English equivalent devotion – the devotion of our life to the Highest; the bringing of our own will into consonance with the supreme will is the word that sums up the lives of pious men in every age and country. They have framed an ideal, a model, a pattern of what their life should be. They have done their utmost to make that ideal a reality. In other words, they have prayed, and they have toiled hard in their life in keeping with the spirit of Islamic philosophy.

MESSAGE BY PRINCIPAL

Dr. K.A. Aysha Swapna (M.A., B.Ed., Ph.D.)

Farook College, one of the most renowned colleges of south India, has been expanding itself in the realm of education and social upliftment for the last 75 years. Since its inception in 1948 we have garnered efforts to provide for the socially and economically backward sections of Malabar and empower them by providing more opportunities. Our institution has been recognized as the College with Potential for Excellence (CPE) and is soaring heights realizing the dreams of the visionaries who have pledged their efforts in procuring it.

Cont >> PAGE 8

Farook College earned NAAC A++ in the IV cycle with a CGPA of 3.64. This top-tier grade reflects academic excellence and institutional strength. The recognition places it among India's leading colleges. It reaffirms a legacy of quality and innovation.

The college is the biggest residential institution in the state with 22 undergraduate, 15 postgraduate, one integrated and 11 research programmes. Students can choose from a range of standout courses, each considered a premier offering by its department paving way for research in the specific programme. We aim at bringing out the best out of its candidates in specializing in science and technology oriented programmes that are much sought after and provide opportunities for students to delve into the domain of science and technology with the signature courses done in collaboration with FIST- DST and C-DIT (Centre for Development of Imaging Technology). Farook College offers platforms for the hybrid courses offered via NPTEL both online and offline by collaborating with premier institutions like IIT Madras.

We are also given the financial support for strengthening of Life Science and Biotechnology Education and Training at undergraduate level under Star DBT College Scheme. The college had been re-accredited at A++ grade (Cycle IV) with 3.64 CGPA and has been adjudged by the state government to receive the R. Sankar Award for the best special grade (Private) college in the state of Kerala for two years. Our college offers three Skill Development Programmes in collaboration with Kerala Institute of Tourism and Travel Studies (KITTS).

Acknowledging its commitment to the cause of the minorities, the National Commission for Minority Educational Institutions, Govt. of India, granted Minority status to the college in 2007. Having been ranked 73rd by the NIRF under MHRD Government of India for the year 2021, we are looking forward to equip our tutee to indulge in the competitive world as an efficient individual and a responsible citizen in the years to come.
