PRAYER

O God, Lord of all, fountain of knowledge, in Your Name we begin. We submit ourselves to the day's mission, and seek Your blessings and guidance. Let this day add to our learning, enhance our commitment, take us forward, and help us improve our society, our nation, and humanity at large.

O God, help us learn all that is good, grant us wisdom to choose good over evil, right over wrong, and grant us peace and happiness today and ever.

Introduction

Farook College marks a breakthrough in the renaissance of Kerala Muslims. In 1948, the year following Indian independence, Farook College was founded to light the darkness that benighted a community crippled by colonial pressure unparalleled in the history of the region. The Rouzathul Uloom Association, the parent body of the educational complex on the campus, took the lead in transforming the social fabric of the region through the expansion of the secular educational structure. Farook College was the only First Grade College in Central Malabar at the time of its inception and was originally affiliated to the Madras University. Following the states' reorganization, the College came under the University of Kerala in 1957 and the University of Calicut in 1968. Farook College is today the biggest residential postgraduate institution in the state. It offers instruction in various disciplines, 20 at the undergraduate and 15 at the postgraduate level. Eight of the P.G. Departments are recognized research centres.

The College is modelled on residential pattern, providing curricular and co-curricular activities for both mental and moral development of the students. Its special care for the moral standard of the students operated through religious and spiritual

discourses helps them enrich their personal as well as social identity. The College and its hostels are open to students of all castes and creeds and provide amenities for the creation of a healthy cosmopolitan atmosphere on the campus.

The college has been re-accredited at 'A' Grade by the National Assessment and Accreditation Council (NAAC), Bangalore, with CGPA of 3.34 on four point scale valid from March 2009. The college has been adjudged by the Government of Kerala to receive R. Sankar Award for the best special grade (Private) college in the state of Kerala for two years . The College has been identified by the UGC as a College with Potential for Excellence, the first college under the University of Calicut to receive the status. Farook College has won the Moulana Abul Kalam Azad Literacy Award instituted by Moulana Azad Education Foundation, New Delhi under the Ministry of Social Justice & Empowerment, Govt. of India for promoting education among the educationally backward minorities. The National commission for Minority Educational Institutions, Govt. of India, has granted Minority Status to the College. The autonomous status is conferred on the college by the UGC in 2015.
