# PRAYER

O God, Lord of all, fountain of knowledge, in Your Name we begin. We submit ourselves to the day's mission, and seek Your blessings and guidance. Let this day add to our learning, enhance our commitment, take us forward, and help us improve our society, our nation, and humanity at large.

O God, help us learn all that is good, grant us wisdom to choose good over evil, right over wrong, and grant us peace and happiness today and ever.

## Introduction

Farook College marks a breakthrough in the renaissance of Kerala. The College was founded in 1948 to lighten the darkness that benighted a community crippled by the unprecedented colonial pressure and unjust laws. The Rouzathul Uloom Association, the parent body of the educational complex on the campus, took the lead in transforming the social fabric of the region through the expansion of the secular educational structure. Farook College was the only First Grade College in Central Malabar at the time of its inception and was originally affiliated to the Madras University. Following the states' reorganization, the College came under the University of Kerala in 1957 and the University of Calicut in 1968. Farook College is, today, the biggest residential postgraduate institution in the state. It offers 22 undergraduate, 1 integrated, 15 postgraduate and 3 diploma programmes. Eleven of the P.G. Departments are recognized research centres.

The College is modelled on residential pattern, providing ample opportunities for curricular and co-curricular activities for both mental and moral development of the students. Its special care for the moral standard of the students operated through religious and spiritual discourses helps them enrich their personal as well as social identity. The College and its hostels are open to students of all castes and creeds and facilitate for the promotion of a healthy harmonious atmosphere on the campus.

The college has been re-accredited at A+ Grade (CGPA 3.51) by the National Assessment and Accreditation Council (NAAC) and adjudged by the Government of Kerala to receive R. Sankar Award for the best special grade (Private) college in the state of Kerala for two years . The College has been identified by the UGC as a College with Potential for Excellence, the first college under the University of Calicut to receive the status. Farook College has won the Moulana Abul Kalam Azad Literacy Award instituted by Moulana Azad Education Foundation, New Delhi under the Ministry of Social Justice & Empowerment, Govt. of India for promoting education among the educationally backward minorities. The National Commission for Minority Educational Institutions, Govt. of India, has granted Minority Status to the College. The autonomous status was conferred by the UGC in 2015.

## **Digital Hub**

In the quest for improving education system, technology has played the most vital role in automating tasks which are time-consuming and monotonous. Software can be used for all the academic and administrative processes like admission, examination, attendance, fee collection, etc. in an educational institution. Evaluation and perception of institutions by Government or public agencies and general public are to be improved for grabbing high demand, value and ranking. State of the art ERP solutions tailored to fit the institution open up new vistas to connect, collaborate and communicate with the stake holders and public. A dedicated and resourceful team of high competency with necessary facilities can provide such a digital state in a fast growing institution.

A Digital Hub catering to all the technological needs of the institution has been envisaged. This Digital Hub is expected to ensure quality of solutions, continuity of implementation, higher levels of confidentiality, and greater cost-effectiveness.
