2. Measures taken to complete the syllabus of courses and programs.		<p>The COVID-19 pandemic has created the largest disruption of education systems in history, affecting nearly entire learners in all the states of the country. It had badly affected HEIs in the Nation. But, this crisis has stimulated innovation within the education sector. We addressed this issue by arranging online workshops, training and periodical webinar series. Measures initiated by the institution is listed below.</p> <p>Online trainings&amp; infrastructure</p> <p>oPlatforms for online Educations: Most of the teachers and students were not exposed to any of the online conferencing or tutoring platforms. To make up this deficiency, we conducted online training for all the faculty members whereby we could equip the faculty members in skills for using the tools like, google classroom, moodle etc. and other ancillary skills.</p> <p>oTools &amp; Software for online Educations: The college also procured G Suits, Zoom etc. to enable teachers to work comfortably.</p> <p>Software for Recording and Editing were procured under the multimedia department of the college to support teachers.</p> <p>oWi-fi Access points: The college strengthened its Wi-fi facility and ensured it was available in every department without fail. 21 New Wi-fi routers were installed to this effect.</p> <p>Quality Assurance &amp; Monitoring: TO monitor the efficiency of the classes, an Education Select Committee (ESC) was constituted under the supervision of Internal Quality Assurance Cell (IQAC). The committee was formed with a convenor and two joint convenors. This committee was responsible for monitoring the selecting means of content delivery during the period. The committee performed the following tasks:</p> <p>oSurvey on Student Access: Whether the students have access to online devices or gadgets and internet access was a difficult question at that time. To study this an online survey was conducted by the education select committee. On the basis of inferences, the college could resolve many a problems of accessibility with the support of the government and the college distributed Gadgets including smart phones to the needy students.</p> <p>oDaily Reports and weekly evaluation: Select committee devised methods for collecting the class delivery reports on a daily basis with the help of digital wing. This was later consolidated every weekend and monitored closely how effectively the online classes were moved on. This enabled the college to ensure incessant delivery.</p> <p>oCA &amp; OBE: All Continuous Assessment Examination were transformed into online Examinations where the students underwent Open Book Examination instead of pre-existing Test papers, which was evaluated in online mode only.</p> <p>oCurriculum Enrichment: though COVID-19 disrupted the functioning of the entire college, the departments conducted national and international webinars. These were a relief to the academic community of the college. Thus academic enrichment has been satisfied upto an extent even during the pandemic.</p>
